

ERNEST H. HILL IS APPOINTED SOLICITOR

Judge H. A. Pearce for Twentieth Judicial Circuit.—
Governor Signs Bill—
Effective Now.

The new bill creating the twentieth judicial circuit has been signed by Governor Chas. Henderson and as predicted in The Eagle a few weeks ago Ernest H. Hill, a Dothan lawyer, has been appointed solicitor. Governor Henderson also appointed Judge H. A. Pearce to preside over the district.

It has been generally conceded that the governor would name Judge Pearce for the twentieth district but there has been more or less speculation as to who would be solicitor as there were several aspirants for the place.

The counties of Henry, Houston and Geneva, have been taken from the old twelfth judicial circuit, and these three counties make up the new circuit.

This local shaking up in the judiciary system may mean that Dothan will have four terms of the circuit court each year, instead of two as heretofore. For several years the work in the twelfth circuit has been increasing until Judge Pearce had more than he could well say grace over.

The public generally will be pleased with the action of Governor Henderson in naming Judge Pearce for this circuit instead of keeping him on the job in the twelfth. Judge Pearce is popular as a judge and as a citizen and it is doubtful if the governor could have appointed a man for the place that would have given more general satisfaction.

Dothan Man Honored.

In the appointment of Ernest H. Hill for solicitor a Dothan lawyer has been honored, and again the governor has selected a man well qualified for the place. The friends of Mr. Hill in and out of the profession have been showering him with congratulations today.

Mr. Hill received a letter of notification from the governor this morning in which he was instructed to qualify for the place at once. He will be sworn in by the clerk of the Circuit Court, W. A. Brown.

The new change became effective with the signature of Governor Henderson, which was put to the bill Saturday night.

W. A. Patterson of route one, was here today.

U. C. Deal of route 3, was trading here today.

Jake Fortner, a former Dothan boy, but now with the Georgia Cotton Company, at Thomasville, Ga., was here today meeting old friends.

Mrs. Herbert P. Moog and son of Pensacola, Fla., has joined her husband here and will make this their home in the future.

1 CANDIDATE WITHIN LAW

Only one candidate has qualified to make the political race, as required by a new law which says that candidates must file in writing certificates with the Probate Judge in which they name their campaign managers.

Clerk W. A. Brown of the Circuit Court has complied with this law by filing a certificate in the Probate Office in which Mr. Brown says that he will be a candidate for clerk of the Circuit Court. He names himself as campaign manager with authority to raise and distribute funds.

COURT HOUSE MARRIAGE.

T. E. Evans and Miss Mattie Pynes of Crosby were married at the court house early this morning, the ceremony being performed by Chief Clerk W. T. Acker. The ceremony was witnessed by several.

MIDLAND CITY DOTS

(By Correspondent.
Editor Eagle:

We will endeavor to give you the happenings in and around Midland City. We are glad to announce that the health of this community is very much improved to what it was a week ago. We all think that a shower of rain would do much good now, as many of us wish to get our fall turnip patch ready to sow seeds. We notice that it is much cooler now than a day or so ago, much to the delight of we old lay folks who dread to fight gnats.

The Midland City school opened Monday morning with 106 pupils, though this is not as many this school should open with. We never saw more enthusiasm displayed in the opening of the school. There was a goodly number of the patrons present at the opening. Several of them made splendid talks to the crowd present, promising their co-operation for the up-building of the school, which always assures success in school as well as other places.

Prof. W. C. Ozier is principal of the school. He comes to us very highly recommended as a teacher, and everybody appears to be well pleased with Prof. Ozier so far.

The assistant teachers are Miss Mary Clark of Slocomb; Miss Lucy Key of Ozark; Miss Eula Wright of Midland City; Miss Ruth Howell of Midland City has charge of the music department. She opened with 15 pupils and will have many more in a few days. Miss Ruth was born and raised in Midland City and needs no recommendation. She is one of Dale county's noblest and best.

Business is somewhat on a rush this week. The advance in cotton prices changes things to a great extent.

We will close up for the present, and come again soon.

J. J. Burdshaw of route four was in town on business this morning.

GRAPHIC PICTURES OF NEW YORK'S BIG SUBWAY ACCIDENT.

ABOVE—REMOVING ONE OF THE INJURED. BELOW—SCENE OF ACCIDENT.

At the top is shown an injured man being put into a Bellevue hospital ambulance, and at the bottom is a general scene, showing the curve in for two blocks.

A number of persons were killed and scores severely injured when a dynamite explosion in the new Seventh subway excavation broke the gas mains causing other explosions and opening a yawning chasm in the street two blocks long and thirty feet deep, into which a street car, a brewery truck, several automobiles and a score of pedestrians were precipitated.

Eighty persons were in the trolley car and all were exposed to the danger of drowning when the water mains burst and started to flood the pit.

Every ambulance in New York and several fire companies were rushed to the scene and aided in the rescue work.

THEATRE TO OPEN OCT. 8

The city hall auditorium will have a formal opening for the public Wednesday night October 6, and everybody will be invited to attend. No admission will be charged.

Manager Thomas announces that the ushers will be on duty and that music will be furnished by the house orchestra headed by John Cray. A program will be gotten up which will probably contain several vocal selections by local talent, and a brief address will be made by some speaker to be announced later.

The auditorium will offer its first attraction October 15 with Gertrude Barber in "The Winning of Barbara Worth."

Hornsby caught and handcuffed two of the negroes together, but when he went to the aid of the other deputy, who needed help in capturing one of the gamblers, one of the negroes, who was handcuffed to the other one, struck the handcuffs over an iron bedstead, breaking them. Both negroes, being liberated, ran. One of them escaped but another was overtaken and captured by Will Bell, negro chauffeur for Sheriff May, who drew a pair of pliers on the fugitive, who thought it was a revolver, and surrendered.

CHARGED WITH WHITE SLAVERY

George Howell, of near Hartford, was arraigned before United States Commissioner C. B. Tutwiler today on a charge of violating the Mann white slave act. The woman in the case was Nettie Berry of Grand Ridge, Fla., who was one of the witnesses. The defendant was allowed bond.

Upon cross examination the father of the girl admitted that he had been arrested once on a charge of running an improper house, but said he was not convicted.

SMALL FIRE

A bale of cotton in the warehouse at Dixie caught fire Saturday afternoon about 6 o'clock but the fire was discovered early and was put out before any material damage had been done.

NEGRO RELEASED

Tom Elbridge, negro, was arraigned before Probate Judge Crawford Saturday afternoon on a charge of murder in connection with the shooting of Eddie Ware, negro, in Fragtown about a week ago. The evidence showed the shooting was accidental and the negro was released.

AUTO ACCIDENT

Constable Will Pitts and family of Dothan figured in an automobile accident near Taylor yesterday when a car occupied by Mr. and Mrs. Grover Vaughn of Coffe Springs and driven by Mrs. Vaughn struck the machine occupied by the Dothan party. The steering gear was erratic and Mrs. Vaughn could not control the machine, which began speeding. Mr. Pitts turned his car into a ditch to avoid an accident. The other machine came dashing by and veering to one side, struck the other machine. Both cars were slightly damaged. No one was hurt.

Mr. and Mrs. G. W. Owens, Mrs. S. B. Wood, Mrs. Tillman Kelly and Miss Vivian Anderson of Abbeville attended the Primitive Baptist Association at Little Vine, a church near Dothan, on Friday and Saturday and were guests of Judge Crawford on Friday and Saturday.

Messrs. Brown, Ross, Pritchett, Langston and Fain of Edmon, Ga., also attended the Association and were guests of Judge Crawford.

LAPLAND ARRIVES SAFE.

New York, Sept. 21.—The steamer Lapland from New York arrived at Liverpool today, according to advices received by the White Star Line.

STRIKERS ARE IN A RIOT.

New Britain, Conn., Sept. 24.—In a clash with strike rioters at the Corbin screw factory of the American Hardware corporation here this afternoon, three policemen were injured by flying bricks and stones hurled by the rioters. One officer, George Ellinger, had his jaw broken. The other two were not badly hurt.

PASSENGERS ARE PACKED IN HAY; TORCH APPLIED

San Diego, Cal., Sept. 26.—Eighty passengers of a Southern Pacific Mexican train were thrown into a car containing hay and the car set on fire by a band of Yaqui Indians Friday, near Torres, Sonora, according to radio advices received here today from Hermosillo, via Guaymas.

Only twenty passengers have been accounted for, the others having been burned to death.

No Americans on Car.

The Indians, according to the report, numbered about sixty, and were deserters from one of the Mexican factional armies. They first derailed the train which was running from Campo Verde to Torres, then placed the passengers, most of them women and children, in the hay car and applied the torch.

So far as known no Americans were on the train.

Torres is 70 miles north of Guaymas.

U. S. TROOPS CLASH WITH HAITIENS

Cape Haitien, Sept. 26.—In an attack by Haitian rebels on an American force about two miles from Cape Haitien forty Haitians were killed. Ten Americans were wounded.

The rebels have refused to disarm and the Americans are marching on Haut Du Cap, in the plain of the north.

BATTING THE RATS.

By Wm. Mason, in the Euphorian (Kam.) Gazette.

"The health authorities of the United States are agreed that the rat must be suppressed," explained the agent. "Rats have been responsible for many of the diseases which have been brought to the home of the nation. And the damage they cause is incalculable. There have been some cases where rats have cost the people of this country every cent."

"You don't need to produce any statistics, either," said Mrs. Burton. "I don't care anything about the number of rats in the country. I want to know how many rats are in the city."

The picture was taken by one of the 408 survivors from a life boat while on the way to the Tuscania of the Anchor Line, which rescued nearly all of the passengers and crew. FORGIVENESS.

I say to you:
For give your friend if so he drops
Into your heart a stinging word.
He will be sorry by and by
And all his higher nature stirred
To live more purely when he sees
You put aside the thing you heard.

And yet again:
Forgive your enemy; he wounds
With malice, hoping that the dart
May rankle deep and fester sore.
You shame him by the better part
Of unrequited hate, and rob
Of all its after-land the venom'd dart.

Your friend and foe—
Forgive these two the seventy
By seven times that love decreed,
For each forgiveness lifts you up
(From taint of sordid passions freed)
To heights of true nobility,
Where Truth fulfills the spirit's need.

But mark you this:
One thing you shall not ever forgive
The while the folding years descend,
And that is YOUR OWN SELF, if so
You wrong a foe or wound a friend;
For no soul that condones its fault
Comes white and unscarred to the end.

—Sara Beaumont Kennedy.

IF KIDNEYS ACT BAD TAKE SALTS

Says Backache is Sign You Have Been Eating Too Much Meat.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels

often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a table spoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink.

CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Doesn't Sallow or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and "all knocked out" if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50-cent bottle of Dodson's Liver Tone. Take a spoonful to-night and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not sallow or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that over bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
